

Asia-Pacific Private Investments

ARENA
INVESTORS LP

Arena Investors is an institutional asset manager that provides creative solutions for those seeking capital in special situations. The firm employs over 100 people globally, where the investment leadership team has an average of 20+ years of experience. Since inception in 2015, Arena has deployed over \$3.5 billion into investments that typically range from \$5 to \$50 million. Arena has a long history and on-the-ground teams in the Asia-Pacific region.

The firm brings decades of experience, a track record of comfort with complexity, the ability to deliver within time constraints, and the flexibility to engage in transactions that cannot be addressed by banks and other conventional financial institutions. We are compensated for being a provider of liquidity in situations with challenging process risks. Everything we do enables individuals, corporations, and asset owners to achieve their goals.

Strategy Description

The Arena Asia-Pacific team focuses on opportunistic credit-related investments and has a flexible mandate that features direct lending, asset acquisitions and the formation of joint ventures. Core competencies include the ability to underwrite esoteric assets, tailored investment structures and problem-solving capabilities. Issuers typically place a premium on speed of execution, creativity in structure and the ability to navigate complexity.

Underwriting Ability

All investments are underpinned by value that may be derived from traditional or non-traditional assets. Arena does not take a formulaic approach and instead focuses on how assets translate into cash flow.
